

K-LOVE is the only radio station of its type here in Columbus and it's the station I listen to every time I'm in the car with my kids. It is the only station that provides encouraging, uplifting music that appeals to the adults as well as the kids. It has helped listeners in so many ways. I know that there are those who would have committed suicide had it not been for a song that ministered to them at the perfect moment. Please, do NOT replace it with LPFM broadcasting!
